

# Gift Membership

Program Organized by the  
American Accounting Association's  
International Accounting Section

Almost half the American Accounting Association's International Accounting Section's (IAS) members live outside the United States, representing 60 countries. The IAS administers the Gift Membership Program to provide sponsored gift AAA memberships to department chairs in universities outside the United States to be selected by the IAS's International Relations Committee or by individual contributors. The gift membership provides accounting departments at these universities with AAA and IAS Section membership, including much-needed access to *The Accounting Review*, *Accounting Horizons*, *Issues in Accounting Education*, *Accounting Education News*, and *Journal of International Accounting Research*.

The Gift Membership Program is funded entirely by contributions from AAA members. We urge all AAA members to contribute, including those who are not [yet] IAS members. Individuals contributing U.S.\$200 or more may designate a specific non-U.S. university, with which they are not affiliated, as the beneficiary of their contribution.

Mail your tax-deductible contributions to the American Accounting Association, 5717 Bessie Drive, Sarasota, FL 34233-2399. Checks should be made payable to the American Accounting Association. If you choose to pay by credit card, you may mail a signed photocopy of this page to the American Accounting Association or fax a signed photocopy to (941) 923-4093.
